Medium Hazard Fabrics

Morleys only uses Medium Hazard Fabrics on upholstered seating. All fabrics pass cigarette, match and BS 5852 Section 4 Crib 5 & BS 7176 Medium Hazard which are required in areas that demand that extra level of fire safety such as educational and public sector establishments.

Due to the limitations of printing, colours may show slight variations from the actual fabric. If colour matching is critical, fabric samples can be sent to you prior to ordering. Please refer to our website morleys.co.uk/fabriccare for care instructions for upholstery fabrics.
