## ✓ Consultancy

Our consultants will talk you through product quality, life span, specification, features, benefits and aesthetics. We can also help you make comparisons between value for money and overall return on investment in your furniture procurements, ensuring you make the right choice.

## ✓ Site Surveys

We will survey your project area FREE of charge, taking precise measurements and notes we will listen to your exact needs to produce CAD drawings and specifications for your approval.

## ✓ Design & Space Planning

Our designers are experts in translating your vision into functional yet inspirational learning and teaching spaces. They produce accurate room layouts detailing planned furniture solutions, with elevations and 3D visuals where appropriate to convey how your environment could look.

## ✓ Bespoke Solutions

Our extensive range of quality products allow us to offer a wide variety of solutions. These include bespoke options to fit exact specifications, to help create a safe and unique learning space.

## ✓ Installation

We have extensive warehousing facilities, a dedicated project team and our own fleet, enabling us to offer a fully flexible installation service.
